MEMORANDUM FOR: Deputy Director for Administration
Deputy Director for Intelligence
Deputy Director for Operations
Deputy Director for Science and Technology
General Counsel
Comptroller

FROM: Director of Congressional Affairs

SUBJECT: Tracking Legislation and Votes

As in the past, OCA will focus on and track legislation on a wide range of issues in the 100th Congress. A sampling of these is included as an attachment. We will strive to keep offices informed in a timely manner when there is significant legislative action within your area of interest. We welcome your input for additional legislative issues that should be monitored.

Officers who follow legislation should be aware that OCA has obtained LEGISLATE, a computer-based system that enables us to list and track all bills introduced in Congress. LEGISLATE also enables us to analyze voting patterns and member voting records for any issue. We want to be sure that all offices are aware of these capabilities and will be pleased to work with you to handle your legislative inquiries. STAT [redacted] is the LEGISLATE system operator. STAT

Once the 100th Congress convenes, OCA will continue to issue the monthly Legislative Highlights and Developments Report for dissemination to appropriate offices.
